My Dear Miss Friedberg,

Just this morning had a reply from the client for whom we wanted the coins which you sent us on approval. He selected the following for which we enclose our check herewith. We are very sorry to have given you so much trouble for so small a sale but he thought the prices were too high. I sent them to him at your prices to us. When I received his list I was afraid he might have different ideas as to the cost. However I thank you for sending them and shall hope for better luck next time.

Selected.
